

Requesting a ClearID Unlock Code

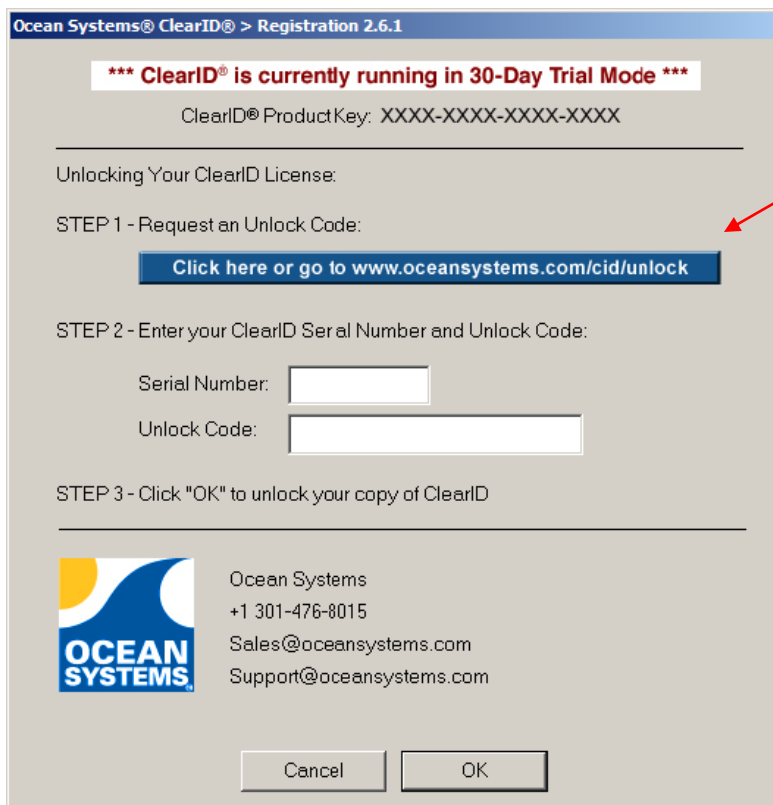

Follow these steps to request your unlock code via our online registration process. Once processed, we will email you your code so you can unlock your licensed copy of ClearID.

Launching the ClearID Registration Screen

- Launch Photoshop
- Open an image
- Launch the ClearID Workflow located: Photoshop Filters > ClearID ® Workflow

From the CID Functions Index Tab, select Product Registration and click ok

If connected to the internet while on this screen, click on the blue button in Step 1.

This will launch the ClearID Unlock Code request form and populate your "ClearID Product Key" in the unlock request form. Complete the form and we will email you your unlock code.

If you do not have internet access while on this screen, write down your "ClearID Product Key" and access the unlock code request form from another system with internet access.
